MRCI Awarded 3-Year CARF Accreditation

Mankato, MN – July 10, 2024 – MRCI is proud to announce that it has been awarded a prestigious 3-year accreditation by the Commission on Accreditation of Rehabilitation Facilities (CARF). This accreditation is a testament to MRCI’s commitment to excellence and continuous improvement in providing high-quality services to the community. MRCI has been accredited by CARF since 1972, consistently demonstrating its dedication to meeting and exceeding industry standards.

Accomplishments highlighted in the Accreditation Report:

- **Innovative Programs:** MRCI has developed and implemented innovative programs that have significantly improved the quality of life for individuals with disabilities.
- **Community Integration:** The organization has excelled in promoting community integration, ensuring that individuals served are active and valued members of their communities.
- **Staff Excellence:** MRCI’s staff have been recognized for their exceptional dedication and professionalism, contributing to the organization’s outstanding service delivery.

The team of CARF surveyors conducted thorough evaluations during a three-day visit, reviewing industry standards and compiling their comments. CEO, Casey Westhoff said, “Every day, we witness the excellence of our programs and staff. Today, we celebrate because others recognize the quality of our work.”

About CARF: CARF is an independent, nonprofit accreditor of health and human services. Founded in 1966, CARF’s mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process that centers on enhancing the lives of the persons served. CARF accreditation is a mark of distinction that signifies an organization’s commitment to continuous improvement and service excellence.
